My dear Sis: - June 8 - 1912

When your card
came I shot off not write till now.
so as to tell you if Ida came out to
stay over. Since, or not. We have not seen
or heard from her since funeral. I am not
counting on her staying more than a day
or two when she does come. Yes, poor woman
she is all broken up. She will miss "Billy" so.
Mr. S. got a pkq. from Mr. Taylor's box last
wt. Just like you to find a way. You'll
get your reward some day but I can't see
how soon. So good of you. My appetite is
better but food does not digest well. I am
gaining a little every day but not very
strong yet. Sit up in chair quite a little
and walk a little but not much as it
uses me up too bad. Stay in bed till af-
ter lunch. Lazy? Oh, my! Margaret had
a cold the other day and the element about
"done me up" for the time. Better now.
Mary is keeping up the record. Found
note + patient in pkq. Have no wait for
Margaret. If you should come out will you
bring one to do like I get out? Do not come
just to be of service to me for I am getting
along pretty now if slowly. Glad to see you
but know your hands are full at home.
If nearer would engage all buttermilk your
pig does not need. Hard to get here. Mrs. S.
still with us. Mr. S's vacation begins next
mon. I'm glad. Love - Ga.
